

## TJM OUTBACK BAR FORD RANGER PXII

AVAILABLE NOW  
PART NUMBER  
070SB13N21V

### PRODUCT INFORMATION

The most popular design in our front protection range is undoubtedly the TJM Outback bar and it's available now for your Ford Ranger PXII. Our TJM engineers spend countless hours perfecting the Outback design to ensure you're equipped with one of the finest bull bars available in the market. TJM bull bars are put through a comprehensive design criteria and testing process to ensure that all TJM bars are air bag compatible and ADR compliant. So if you're after a stylish bar with optimum performance - you can't go past the TJM Outback bar.

## FEATURES & BENEFITS

- › NEW 63mmØ tubing
  - › Steel construction
  - › Innovative styling to complement the Ranger's unique design
  - › Wing underguards and centre guard
  - › Full cato straps, uniquely styled to the vehicle for incredible strength and damage deflection
  - › Designed for optimal approach angle
  - › 8000KG rated recovery points as standard\*
  - › Integrated LED fog lights (fog lights, wiring harness & switches included)
  - › Flush steel mounted LED combination lights with tough polycarbonate lenses
