

WORKREADY ACCESSORIES

Your work van is your livelihood - fit it out
with the very best in van storage and safety.

autosafe

YOUR MOBILE WORKSPACE, READY TO ROLL

Australian Made, Designed and Tailored to Your Needs

Autosafe has been designing and manufacturing products to keep Australians safe on the road since 1991. Starting with cargo barriers, we have expanded our range across a wide variety of vehicles to provide Aussies with the very best in storage and safety solutions.

Guaranteed for Longevity

Our products have been designed and tested to suit tough conditions.

- 10 year warranty – on all non-movable fixtures
- 5 year warranty – on all movable fixtures

Tailored for Your Vehicle

All our products are tailor made for the most popular makes and models on Australian roads. Our team makes use of all factory mounting points for safe and secure installation without permanently damaging the vehicle – retaining resale value for your next upgrade.

In-Bay Accessories

MODULAR DROP-IN UPGRADES

Customise your shelving system with in-bay accessories. These accessories are modular and drop straight into a Cube Shelving bay - replacing an existing shelf in whichever bay you choose.

Each product is offered in multiple bay widths to match the Tradie kit. Select the size that suits your build (W8 = 800mm, W10 = 1000mm, W12 = 1200mm).

Cube Cable Reel Holder

Bay-mounted holder for keeping cable reels secure and accessible in transit.

Size	Part Number
W8	CU-CRH8-KIT
W10	CU-CRH1-KIT
W12	CU-CRH12-KIT

Cube Classic Drawer

Pull-out drawer that replaces a standard shelf - ideal for organising hand tools and smaller items.

Size	Part Number
W8	CU-DW800-KIT
W10	CU-DW1000-KIT

Cube Shelving - Ezy Pack Work Bench

Drop-in work bench surface with integrated Ezy Pack storage - turn any bay into a mobile workstation.

Size	Part Number
W8	CU-WB800-KIT
W10	CU-WB1000-KIT

Cube Lockbox - Large

Larger lockable in-bay storage for tooling and devices that won't fit in the small lockbox.

Size	Part Number
W8	CU-LB4x8
W10	CU-LB4x1
W12	CU-LB4x12

Cube Shelving - 300mm Deep Shelf

300mm-deep replacement shelf. The all-rounder - suits most Ezy Packs and general storage.

Size	Part Number
W8 (300 x 800)	CU-SK3x8
W10 (300 x 1000)	CU-SK3x1
W12 (300 x 1200)	CU-SK3x12

Cube Shelving - 400mm Deep Shelf

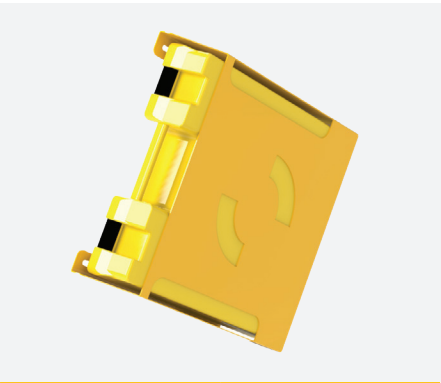

400mm-deep replacement shelf. Maximum capacity - for bulkier tooling and equipment.

Size	Part Number
W8 (400 x 800)	CU-SK4x8
W10 (400 x 1000)	CU-SK4x1
W12 (400 x 1200)	CU-SK4x12

Upright Accessories

USE THE WHOLE BAY, NOT JUST THE SHELVES

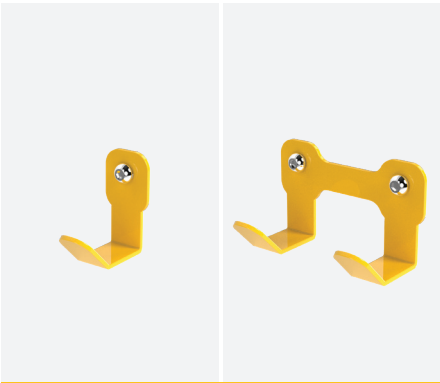

Make the most of the space in your van with a range of accessories that mount to the uprights of the Cube Shelving bays. Add storage, organisation and tool retention without taking up a shelf.

**Cube Ezy Pack Holders
- Upright Mount**

Upright-mounted holders for keeping Ezy Packs on uprights. Standard for regular Ezy Packs; Shelf-style holds a single shelf-mountable Ezy Pack (C1).

Size	Part Number
Shelf style (C1)	CU-EPHVE-KIT

**Cube Hooks
- Upright Mount**

Steel hooks that mount to bay uprights to hang tools, harnesses, hoses and high-vis. Choose single or double depending on capacity required.

Size	Part Number
Single Hook	CU-HS-KIT
Double Hook	CU-HD-KIT

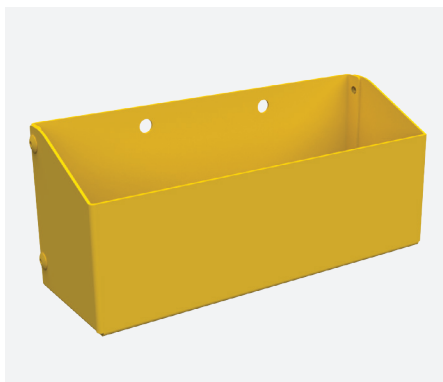

**Cube End Utility Panels
- Upright Mount**

Solid utility panels that close off the end of a shelving bay and provide a mounting surface for additional accessories.

Size	Part Number
Small	CU-UP-KIT
Large	CU-UP02-KIT

Upright Accessories (continued)

Single-variant upright-mounted accessories - each designed to keep a specific tool or item secure in the bay.

Cube Small Parts Box - Upright Mount

Compact upright-mounted box for small fasteners, fittings and consumables.

Part Number

CU-SPB-KIT

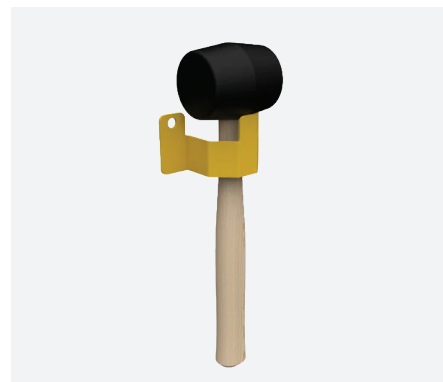

Cube Strap Holder - Upright Mount

Holds and tidies tie-down straps and ratchet straps – keeps them off the floor and ready to deploy.

Part Number

CU-SH-KIT

Cube Hammer Holder - Upright Mount

Dedicated hammer mount – holds a claw or framing hammer head-up against the upright.

Part Number

CU-HH-KIT

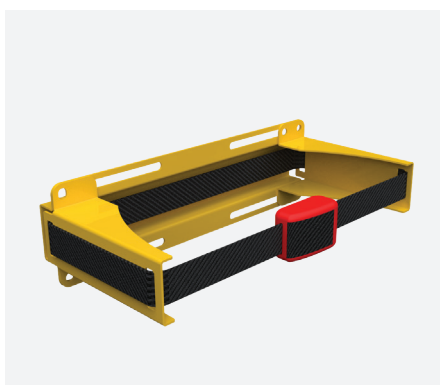

Cube A4 Document Holder – Upright Mount

Slim upright-mounted holder for A4 paperwork – job sheets, SWMS, safety data sheets.

Part Number

CU-PHA4-KIT

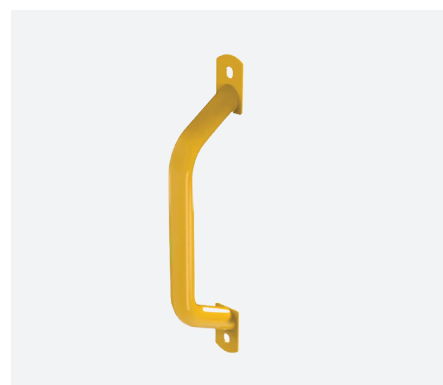

Cube Adjustable Bottle Holder – Upright Mount

Adjustable holder for water bottles, lubricants, sealants and other cylindrical containers.

Part Number

CU-ABH-KIT

Cube Grab Handle

275mm grab handle that mounts to the bay upright – a steady hand-hold when getting in and out of the cargo area.

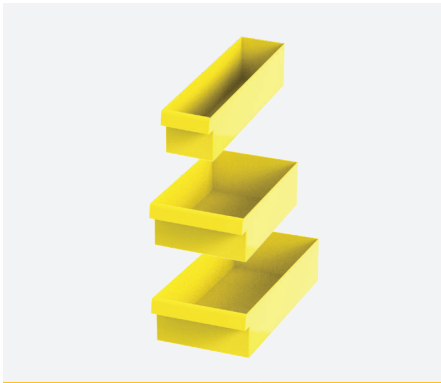

Part Number

CU-GH275-KIT

On-Shelf Accessories

MAXIMISE EVERY SHELF

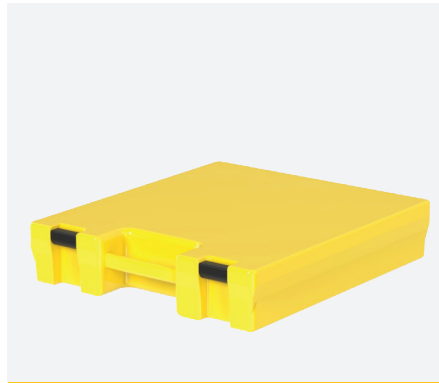

Optimise the storage on every Cube shelf with Ezy Packs and Storage Bins - designed to fit snugly into the shelving system and keep small parts, fasteners and tooling organised on the move.

Cube Storage Bin - Yellow

High-visibility yellow storage bins that sit directly on the shelf. Available in four dimensions to suit different part sizes - from small fasteners through to larger consumables.

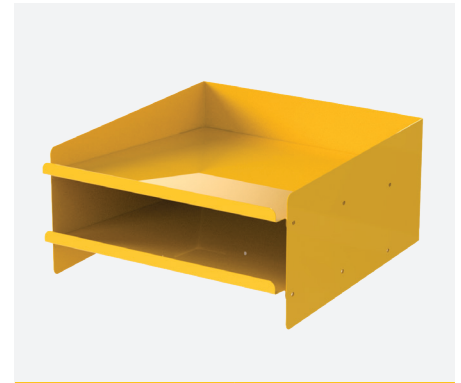

Size	Part Number
300 × 100 × 100 mm	CU-1H-001
400 × 100 × 100 mm	CU-1H-002
300 × 200 × 100 mm	CU-1H-003
400 × 200 × 100 mm	CU-1H-004

Cube Ezy Pack

The signature on-shelf Ezy Pack storage container - sized to fit the Cube Shelving system and stack neatly across the shelf.

Size	Part Number
Standard	CU-1H-152Y

Cube Ezy Pack Holder - Shelf Mount (2-Pack)

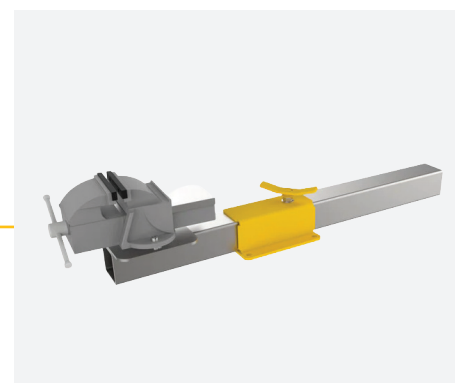

Shelf-mounted holder that locks two Ezy Packs onto a shelf - stops contents shifting in transit. Sized for D4 (400mm deep) shelves, holds two packs (C2).

Size	Part Number
D4 / C2 (2-Pack)	CU-EP2E-KIT

Floor Accessories

MAKE THE MOST OF YOUR FLOOR SPACE

Floor-mounted accessories add specialised functionality to your Workready fitout - purpose-built workstations and equipment that bolt to the floor for a stable, secure base on the road and on site.

Cube Shelving - 5" Sliding Vice Kit

Heavy-duty 5-inch engineer's vice on a sliding floor mount. Slides forward out of the cargo bay for full access at the rear of the van, then locks back into place for transit – turning your van into a mobile fabrication workstation.

Part Number
CU-VSV-KIT

Utility Module

PURPOSE-BUILT MODULES BEHIND THE PASSENGER SHELF

Specialise your fitout with modules designed to sit behind the passenger-side shelf
- task-specific storage and workstations that turn dead space into working space.

Cube Draw Stack

Vertical drawer module sized for behind the passenger shelf. Choose the stack depth to match the volume of small-parts storage you need.

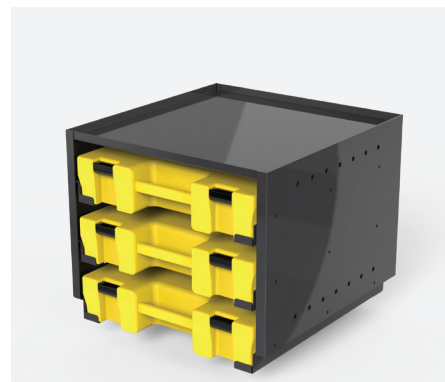

Size	Part Number
1 Stack	CU-DS01-KIT
2 Stack	CU-DS02-KIT
5 Stack	CU-DS05-KIT

Cube Ezy Pack Draw Stack

Same drawer module as the Cube Draw Stack but sized to take Ezy Packs (C1/C2/C5) instead of loose contents – pull out the pack, take it to the job, slot it back when done.

Size	Part Number
1 Stack (C1)	CU-DS01E-KIT
2 Stack (C2)	CU-DS02E-KIT
5 Stack (C5)	CU-DS05E-KIT

Cube Ezy Pack Holder - Bay Mount

Bay-mounted Ezy Pack rack that lives behind the passenger shelf. Two capacities depending on how many packs you carry on the road.

Size	Part Number
3-Pack (C3)	CU-EP3E-KIT
5-Pack (C5)	CU-EP5E-KIT

Cube Classic Drawer – W4

400mm-wide pull-out drawer designed to sit behind the passenger shelf rather than in a bay. Ideal as a standalone tool drawer in builds without a Pro/Ultimate passenger-side bay.

Part Number
CU-DW400-KIT

Cube Handwash Unit

Self-contained hand-wash unit – fresh-water tank, tap and waste catch. Keeps the cab clean and meets site hygiene requirements for plumbers, electricians and trades working with messy materials.

Part Number
CU-WU-KIT
